

‘Raise the Roof! Appeal’

ST. JUST-IN-PENWITH PARISH CHURCH

‘SIGN A SLATE’

St. Just Parish Church’s roof has approximately 15,000 Cornish slates and we need to replace all of them!

Were you or other members of your family baptised or married at St. Just Parish Church? Did your ancestors worship here?

Do you have a loved one or an ancestor lying in the Churchyard or the Higher Churchyard at Bosavern?

Would you simply like to make a lasting difference to St. Just’s oldest building or mark your involvement within the local community?

Then why not become part of St. Just’s living history by signing a slate in return for a small donation? Making a dedication is also a wonderful way to remember a loved one or event. All donations will contribute to preserving the heritage of our Grade II Listed building for future generations to come.

Each name and dedication will be recorded in a new Heritage Book. The book will include the name of the person signing the slate and the text of a dedication if one was purchased. The new Heritage Book will become part of the Church Records. The names of all those making a donation to sign slates will be recorded on the underside of the new slates.

If you would like to sign a slate or, sign a slate and also make a dedication, please complete the form overleaf:

Sign a Slate - Application Form

Your Name:

Address:

Post Code:

Telephone:
